General Requirements

InStyle Cleaning acknowledges and agrees to the following general requirements as specified by Sweetwater Gainesville management.

Supervision & Compliance

- ✓ Full-time on-site supervision provided for the entire duration of the project
- ✓ All work performed in compliance with City, County, State, and Federal codes, ordinances, laws, and regulations
- ✓ All unit cleaning performed to industry standards and manufacturer's specifications, including all labor and materials
- ✓ Contractor representative on-site on Move-In Day to assist with any issues

Go-Backs & Callbacks

- ✓ Units not meeting property quality inspection will be re-cleaned at no cost to the property
- ✓ Minor scope changes may occur prior to actual turn date — finalized list provided by Manager before start

Partially Occupied Units

- ✓ Some assigned units may be partially occupied
- ✓ Occupied "common" spaces receive the same level of service as fully vacant spaces
- ✓ Resident's possessions will not be disturbed

⚠ AC Temperature Policy

AC temperature shall not be set below **72°F** at any time. Upon leaving a unit, AC must be set to **78°F** with fan on AUTO. Settings below 72°F may result in a **$10/day per unit** deduction. Contractor acknowledges and will strictly enforce this policy with all crew members.

Property Rules & Conduct

🚫 Prohibited On-Site

- ✓ No smoking in any units
- ✓ No loud music (radios, boom boxes, etc.)
- ✓ No animals allowed on-site
- ✓ No alcohol on-site
- ✓ No disposing of debris in unit trash
- ✓ Unit bathrooms are off-limits for contractor use — alternative facilities provided by property
- ✓ No use of any appliances or furniture in units

🔑 Keys, Items & Liability

- ✓ Contractor responsible for cost of re-keying due to lost keys
- ✓ All property keys must be returned daily before departure
- ✓ Items found in vacant units shall be presented to the General Manager — not removed from property
- ✓ Contractor is responsible for their employees at all times
- ✓ Units with extensive pet hair/odor must be reported to Property Manager immediately
- ✓ Appliances requiring help to move — site team must be notified

✦ Invoice Policy

Contractor invoice shall not exceed contract price. Any amount invoiced different from the contract shall have an approved change order attached, signed by Manager.

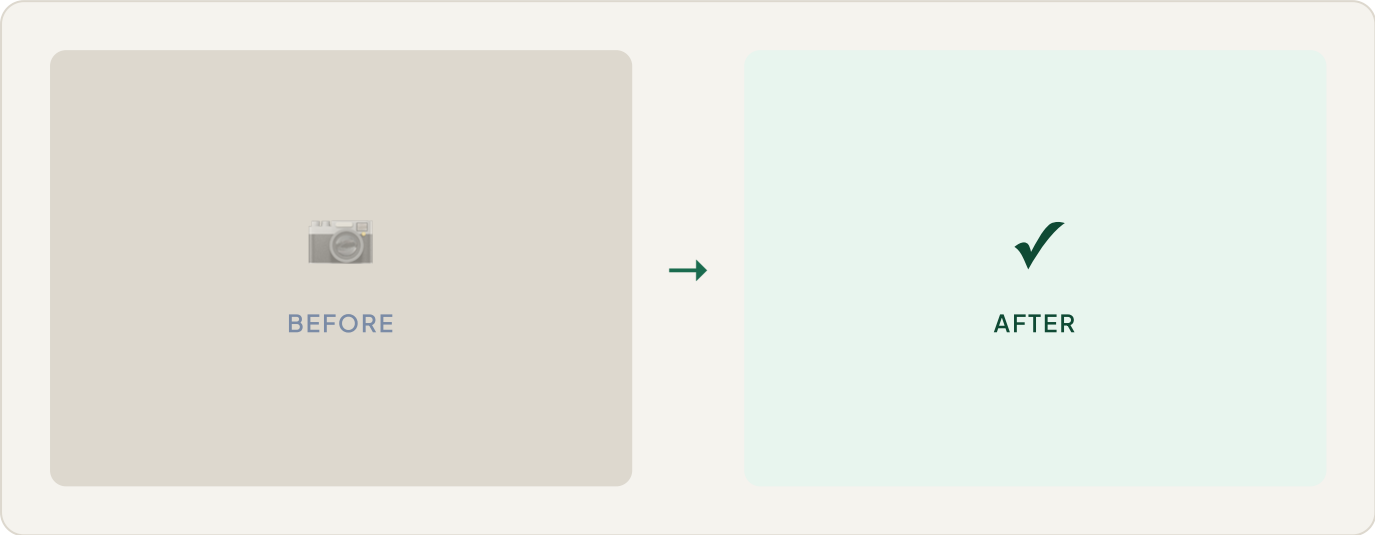
03 — QUALITY ASSURANCE

Photo-Verified Cleaning

Every unit is documented with timestamped before-and-after photos, sent directly to your management team. No guesswork — just proof.



Our proprietary photo verification process captures **before-and-after images** of every kitchen, bathroom, bedroom, and common area. Photos are timestamped, geotagged, and shared with your team via a secure digital dashboard in real time. If a unit doesn't pass our internal QA check, we re-clean it before marking it complete.

Our 5-Point Quality Process

1. **Pre-Walk Documentation**
   Before photos captured. Unit condition noted. Any pre-existing damage flagged to management before cleaning begins.

2. **Systematic Deep Clean**
   Cleaning crew follows a standardized room-by-room checklist. Every task checked off as completed.

3. **Crew Lead QA Inspection**
   Crew lead inspects every room against the checklist. Any deficiencies corrected on the spot.

4. **After Photos + Sign-Off**
   After photos captured. Digital completion report generated. Crew lead signs off on the unit.

5. **Management Review**
   Photo report delivered to your team within 1 hour of completion. Any callback requests handled within 4 hours.

✦ Callback Guarantee

If any unit fails to meet your standards within 24 hours of cleaning, we will re-clean it **at no additional charge**. Period.

04 — EXECUTION PLAN

Turnover Timeline
